My Christmas Wishes

Christmas 2026

Write, draw, or ask a grown-up to help.

My name is:

Something I really want

Something I want to read

Something I want to wear

Something fun to do

My biggest Christmas wish

☐ A little surprise would be fun, too.

Love,

Dear Santa,

There are a few things I wanted
to tell you this Christmas...

Something I'm proud of this year:

One thing I'm hoping for this Christmas:

Love,

NORTH POLE POST

A Little Christmas Dreaming

Some wishes don’t fit inside a box.

Something fun I want to do

A place I want to visit

Draw your dream Christmas surprise

My picture shows...

Christmas Wishes for Others

Christmas wishes can be for other people, too.

Someone I want to surprise

Something kind I could do

Someone I want to thank

My Christmas wish for my family

A little kindness makes Christmas brighter.
